

# Tech The Halls

WITH NEUWAVE'S HOLIDAY GIFT GUIDE

## Sony 695ES Projector

- Premier 4K projector turns your wall into a 100" high-resolution TV
- 1800 lumens for high brightness and vibrant images
- Ensures smooth and clear motion during action scenes and sports games
- Reality Creation technology enhances detail without increasing digital picture noise

## Sonos Play:1 Speaker

- Mini yet mighty - fits in any space, fills any room
- Humidity resistant
- Wall or stand mountable
- Streams over wi-fi, not Bluetooth, so the music never stops – even if you get a phone call
- Connect Sonos to an Amazon Echo or Dot, then simply request the music you love
